

putlinedouble5

```
graph LR; A[putlinedouble5] --> B[dc_present::present_and_true];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'putlinedouble5'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'dc_present::present_and_true'.
