The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'gtdata_internal_map' on the top line and '::dimord_skip_compact' on the bottom line. The right box is white with a black border and contains the text 'dc_trace::dbgmessage'. A solid blue arrow points from the right side of the left box to the left side of the right box.
