

dc_hash::hash_internal

```
graph BT; A[dc_hash::hash] -.->|hash_table| B[dc_hash::hash_internal];
```

The diagram illustrates a relationship between two classes. At the top is a white box with a black border containing the text 'dc_hash::hash_internal'. Below it is a grey box with a black border containing the text 'dc_hash::hash'. A vertical dashed purple line connects the two boxes, with a solid purple arrowhead pointing upwards from the grey box to the white box. To the right of the dashed line, the text 'hash_table' is written, indicating that the inheritance is mediated by a member named 'hash_table'.
