

et\_module::avry\_y

```
graph LR; A[et_module::avry_y] --> B[et_module::inty_y]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the text 'et\_module::avry\_y'. The right box is white and contains the text 'et\_module::inty\_y'. A blue arrow points from the right side of the left box to the left side of the right box, indicating a dependency or relationship between the two identifiers.

et\_module::inty\_y
