

```
wa_module_interpolate  
::a_interpolate_array00_wa
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'wa_module_interpolate' followed by '::a_interpolate_array00_wa' on the next line. The right box has a white background and contains the text 'wa_module_interpolate' followed by '::beta' on the next line. The arrow indicates a transformation or mapping from the left state to the right state.

```
wa_module_interpolate  
::beta
```
